# Griébal

A lovely small village from the thirteenth century located in the municipal area of Aínsa, in the región of the Sobrarbe, which was abandoned in the 60's.

The Aragon's scout association assumed their rehabilitation as a challenge of service and commitment to our society. The trajet is to build a education service center for youth people.

Griebal scout project started in 1989 but since 2015 the Griébal Scout Foundation has been the responsible for the management of Griébal Scout Centre.

GRIÉBAL SCOUT CENTRE IS A PLACE WHERE SERVICE, VOLUNTEERING, ENVIRONMENT AND SCOUTING ARE THE PILLARS OF COEXISTENCE AND MUTUAL EFFORT IN ATTAINMENT OF A DREAM.

From year to year, the Infrastructures are improved, the rehabilitated houses getting more guarantees, the areas of camping expanded and the conservation of natural environment been consolidated.

Thousands of young people from all over the world have participated together with the Scouts of Aragon (Spain), in the Griébal project.

Every year more scouts groups are requesting to make their camps here. Every summer arround 2000 young boys and girls camp in griebal.

THE GRIÉBAL SCOUT CENTRE, ALTHOUGH STILL A PROJECT, IS BECOMING A GREAT REALITY.

The Strategic Values represent the philosophy of our SCOUT CENTRE. This lead us to a better management, in all areas, considering both the present and the future. Scout values are the force that carry on our Social misión.
